

Recommended Qualification Structure for Carving Occupations (Construction) Level 3

This structure has been recommended by employers and stakeholders from the above occupational area for organisations to form the basis of academic capability and competence outcomes. Qualifications with a competence outcome at the above level must have units derived from the following National Occupational Standards (NOS) and consist of the mandatory/optional groups as stated for the individual option route.

MANDATORY

- VR209 Confirm work activities and resources for the work
- VR210 Develop and maintain good working relationships
- VR211 Confirm the occupational method of work
- VR641 Conform to General Workplace Health, Safety and Welfare
- *CCSCR9 Produce a drawing or sketch, working stages or roughs, sample, model or prototype of craft

**Imported from Creative and Cultural Skills SSC suite of standards for Craft*

PLUS ONE OF THE FOLLOWING OPTIONAL ROUTES

Carver Option Route (Total 6)

Mandatory

- VR744 Produce carved architectural enrichments

Letter Cutter Option Route (Total 6)

Mandatory

- VR747 Produce carved letters and numbers with the aid of machinery

Unit endorsements for Carving Level 3

Where industry requests; qualifications can be endorsed to show an option route and the type of resources and/or activities that relate to the unit. Listed below are the endorsements that can apply for units derived from the following NOS.

NOS	Endorsement
VR744	Stone Wood Composite materials
VR747	Stone Wood Composite materials Plus at least two of the following machines: Sand blast systems Router Computer numeric controlled cutting or shaping machine Milling machine Saw Drill Letter cutting machine Sander Grinder Pneumatic chisel

Note: Where industry requests an Awarding Body to further endorse a unit, the Awarding Body must first seek approval from the Standards Setting Body to ensure the endorsement is appropriate to the unit.
